Training Program

Agri-Food Foreign Trade

Virtual Course: Agriculture in International Trade Agreements

General objective:

To provide tools that will enable participants to acquire and/or deepen their knowledge of international trade, and the main trade policy instruments related to agricultural trade for the Caribbean.

Contents:

- Unit 1. World Trade Organization (WTO) Agreement on Agriculture (AoA)
- Webinar 1. Course Presentation and opening remarks. Keynote presentations on the relevance of the WTO for agri-food trade.
- Unit 2. Non-Tariff Measures (NTMs) in agriculture and related WTO agreements
- Webinar 2. How non-tariff barriers affect trade
- Unit 3. Agriculture in Regional Trade Agreements (RTAs)
- Webinar 3. Opportunities and Challenges: For the Caribbean integration process

Total course length:
25 chronological hours.

Virtual Course: Trade, Food Security and Nutrition

General objective:

To provide participants with the tools necessary to assess the challenges and opportunities presented by greater openness to trade for food security and nutrition, examine the role and design of trade policy measures, and deepen their knowledge of the key global policy and regulatory frameworks governing this intersection, including the WTO Agreement on Agriculture and the 2030 Agenda.

Contents:

- Lesson 1. Introduction to trade, food safety and nutrition
 - Lesson 1.1. Defining and Measuring Trade, Food Security and Nutrition
 - Lesson 1.2. Impacts of Trade on Food Security and Nutrition
- Webinar 1. Food systems, food security and nutrition
- Lesson 2. Trade Policy Supportive of Food Security
 - Lesson 2.1. Trade Policy Measures and Agricultural Development
 - Lesson 2.2. Design and Implementation of Trade Policy Measures
- Lesson 3. Governance of Trade, Food Security and Nutrition
 - 3.1. Introduction to the Multilateral Trading System Lesson
 - 3.2. Policy Space in the Multilateral Trading System Lesson
 - 3.3. Towards Improved Governance for Trade, Food Security and Nutrition
- Webinar 2. Trade facilitation and its role for Food Security

Total course length:
16 chronological hours.

Virtual course (webinar series): Agri-Food Trade Promotion

General objective:

To train management leaders in family farming organizations, cooperatives and rural agri-food MSMEs and public officials from Ministers of Trade or Agriculture from CARICOM member countries in foreign trade, internationalization, commercial strategies, e-commerce and negotiations.

Contents:

The course is divided into **four modules** and includes **6 live webinars**: modules 1 and 2 have one webinar each, while modules 3 and 4 have two each. All webinars are held synchronously, with mandatory attendance. Videos and materials for each session are added to the course page as the course progresses, along with supplementary reference material. A forum is opened for each webinar, where participants participate by answering questions related to the topic, which are posted by the tutor.

Total course length:
15 chronological hours.
